

INTERVIEW STUDY: ORNITHINE TRANSCARBAMYLASE (OTC) DEFICIENCY

Are you 18 or older and have OTC?

Are you the caregiver of someone aged 8-17 with OTC?

Participation

- We are looking to **interview** individuals and caregivers of individuals with OTC to discuss their experience.
- **If your child with OTC is between the ages of 8-17, they may also be eligible to participate in an interview.**
- The information you share with us will be kept confidential.
- The interview will be conducted in-person, by telephone, or by video. It will be approximately 90 minutes long, and will be audio-recorded.

Compensation

Eligible study participants 18 years or older will be paid \$150 and eligible study participants ages 8 to 17 will be paid \$75 at the end of the interview.

How do I participate?

If you are interested in participating, or would like to learn more about this study, **please contact us using the following e-mail address and include "OTC" in the e-mail subject line** to see if you qualify.
