

Interview study: GLYCOGEN STORAGE DISEASE TYPE III (GSDIII)

Are you 18 or older and have Glycogen Storage Disease Type III?

OR

Are you the caregiver of someone aged 0-17 with Glycogen Storage Disease Type III?

Participation

- We are looking to **interview** individuals and caregivers of individuals with GSDIII to discuss their experience.
- The information you share with us will be kept confidential.
- No medications will be given as part of the study.
- The interview will be conducted by telephone, will be approximately 60 minutes long, and will be audio recorded.

Compensation

Eligible study participants will be paid \$100 at the end of the interview.

How do I participate?

If you are interested in participating, or would like more information about this study, **please contact us using the following e-mail address and include "GSD" in the e-mail subject line** to see if you qualify.

Email: GSDIII@endpointoutcomes.com
